

NUMBER FIVE PROJECT

GIMME FIVE APPEAL

We don't mind how you raise money for our gimme five appeal,

Run 5 miles, bake 5 cakes, kiss 5 frogs! donate 5 pounds. Anything is cool with us because we'd just like to gain awareness for our shelter for vulnerable people located in the Guildford area...

And Of course it doesn't have to be ' 5 ' of everything but five is a lucky number and a great place to start.

If you are feeling creative - why not colour in the front sheet to have a chance of being added to the wall of fame at the shelter. Just post it to us with your name and age.

ABOUT US

The Number Five Project is a direct access night shelter for homeless men and women over the age of 18. We offer short term emergency accommodation with support. Number Five can accommodate 14 men and 2 women; the shared ladies' room has en-suite facilities and the remaining rooms are a mixture of shared and single, with 3 shared bathrooms. The initial length of stay is 7 days; this may be extended on an individual basis, depending on the situation.

The project opens every day of the year at 6pm and provides a hot evening meal, hot showers, a bed for the night and breakfast in the morning. We close at 10am daily and are shut throughout the day. Inside we have a communal dining room and TV lounge and we offer 1-2-1 key-worker support to all our residents. We are linked in with the local homeless outreach support team and between our services we offer help with longer term accommodation, benefits, medication and referrals to local specialist agencies, for example, addiction services.

Number Five aims to provide a stable living environment for all, regardless of background. We aim to support those who want to help themselves stabilise and move towards more independent living.

Our first priority is to ensure that our residents feel safe and secure during their stay with us and have their basic needs met. With this framework as our basis, we encourage self-help and personal responsibility to achieve goals and objectives on the path to improved lives.

OUR GOAL

VOLUNTEERING:
